- (c) On March 20, 2019, Hill's expanded the recall to include additional lots of the products recalled in January, as well as eight additional products, and on May 15, 2019, Hill's identified a single, additional lot that had been inadvertently omitted from the recall, recalling that lot as well;
- (d) Following the recall, on September 12, 2019, a proposed class proceeding was commenced by Betty Ann Martin against the Defendants bearing Ontario Superior Court of Justice Court File No. CV-19-1778-CP (the "**Martin Action**"), in which Ms. Martin alleged that she was harmed by purchasing pet food manufactured by the Defendants;

- (f) On November 15, 2019, this class proceeding was assigned to Justice Glustein of the Superior Court of Justice for case management;
- (g) On or about February 10, 2020, the Defendants served their Notice of Intent to Defend this class proceeding;

- (i) On or about November 30, 2020, the Plaintiffs in this proceeding served their Motion Record for, *inter alia*, an order certifying this proceeding as a class proceeding pursuant to the *Class Proceedings Act*;
- (j) Thereafter the Parties have engaged in extensive arms-length settlement negotiations and have now reached an agreement providing for a national class-

wide settlement of this Action and a release of the Released Claims by the Settlement Class;

- (k) The Plaintiffs and Class Counsel have examined and considered the benefits to be provided to the Settlement Class under this Settlement and the claims and defences that could be asserted regarding the Products (as defined herein), and have concluded that this Settlement Agreement is fair, reasonable, adequate, and in the best interest of the Class, taking into account the risks of litigation, and the length of time required to complete the litigation and any appeals;
- (l) The Defendants deny any and all claims and theories of the case asserted by or on behalf of Plaintiffs; and
- (m) The Parties believe that the interests of all concerned are best served by compromise, settlement, and dismissal of the claims;

18. To be eligible for monetary relief from the Settlement Fund, Settlement Class Members must submit a valid Claim Form and meet one of the definitions of Settlement Class Members outlined in section 21 below.
19. **Claims Process:** Each Claim Form shall provide the opportunity for a Settlement Class Member to demonstrate eligibility. Each Settlement Class Member shall be entitled to submit a Claim Form that will, if valid, entitle the Settlement Class Member to a payment as set forth below. The period for submitting such Claim Forms shall commence upon the Notice Date and continue for no less than one hundred and eighty (180) days (the “**Claims Period**”). The Settlement Administrator shall, subject to the supervision of the Court, administer the relief provided by this Settlement by processing Claim Forms in a rational, responsive, cost effective and timely manner. All available monies in the Settlement Fund will be paid out to Settlement Class Members or, to the extent there are any residual Unpaid Funds after any additional distribution, paid on the Settlement Class’s behalf to the *Cy Pres* Recipient with no possibility of reversion to Defendants.
20. Settlement Class Members who have already received reimbursement for their otherwise eligible claims or whose veterinarians already received reimbursement for their otherwise eligible claims on the Settlement Class Members’ behalf are not eligible to receive duplicative payments and their claims under this Settlement Agreement shall accordingly be denied.

21. Monies will be distributed to Settlement Class Members *pro rata* based on the amounts apportioned to each Settlement Class Member by the following criteria:

(a) **Settlement Class Members Who Have Dog Injury Claims:** Settlement Class Members will have a Dog Injury Claim for either or both of:

(i) any amounts incurred in screening, diagnosing, and treating the dog, if they provide: documentation showing screening or treatment of the dog for symptoms consistent with consumption of excess vitamin D as a result of the use or consumption of the Products, up to a maximum of \$500 Canadian dollars. The Settlement Administrator is authorized (in conjunction with a veterinarian or other expert, if necessary, selected by Class Counsel) to review this documentation, investigate, evaluate, and make a determination as to the validity of the claim based on the documentation submitted and any other materials determined to be relevant. Acceptable forms of documentation of the veterinary treatment incurred include, but are not limited to: veterinary notes, veterinary records, test or laboratory reports, or statements and/or letters from the veterinarian, hospital or clinic. By submitting a Dog Injury Claim, the Settlement Class Member is authorizing the Settlement Administrator, in its discretion, to contact the treating veterinarian of the Settlement Class Member's allegedly injured dog, to seek the input of Class Counsel and Hill's, and to fully investigate and make a determination as to the validity of the claim based on the documentation submitted and any other materials determined to be relevant. The Settlement Administrator is under no obligation to rely solely on information provided by the Settlement Class Member in making its determination of payment for a Dog Injury Claim.

(A) For clarity, Dog Injury Claims may also include claims for screening and testing costs that were reasonably necessary based on concern for having a dog that consumed the Products. Such screening/testing shall have been performed by or upon the recommendation or

referral of the veterinarian to screen for illness from the consumption of the Products, provided that reimbursement will only be granted for the share of the veterinary bill, costs, tests, or examination that relate to the determination of whether the dog suffered injury from the use or consumption of the Products, and not for any other or unrelated portion of the veterinary bill.

- (ii) an amount of \$5,000 Canadian dollars per Settlement Class Member for damages alleged to relate to the death of their dog if they provide: (i) documentation showing screening or treatment of the dog for symptoms consistent with consumption of excess vitamin D following the use or consumption of the Products, (ii) documentation showing that the dog died after the date of these documented symptoms, and (iii) documentation showing that the dog died or was euthanized as a result of these symptoms. The Settlement Administrator is authorized (in conjunction with a veterinarian or other expert, if necessary, selected by Class Counsel) to review this documentation, investigate, evaluate, and make a determination as to the validity of the claim based on the documentation submitted and any other materials determined to be relevant. Acceptable forms of documentation of the veterinary treatment incurred include, but are not limited to: veterinary notes, veterinary records, test or laboratory reports, or statements and/or letters from the veterinarian, hospital or clinic. By submitting a Dog Death Claim, the Settlement Class Member is authorizing the Settlement Administrator, in its discretion, to contact the treating veterinarian of the Settlement Class Member's allegedly deceased dog, to seek the input of Class Counsel and Hill's, and to fully investigate and make a determination as to the validity of the claim based on the documentation submitted and any other materials determined to be relevant. The Settlement Administrator is under no obligation to rely solely on information provided by the Settlement Class Member in making its determination of payment for a Dog Death Claim.

(b) **Settlement Class Members Who Have Consumer Food Purchase Claims:** Settlement Class Members will have a Consumer Food Purchase Claim for up to the full purchase price of the Products if they can provide: an attestation under penalty of perjury confirming that they purchased one of the Products, and they have not already received a payment or a refund for the products. Each Settlement Class Member with a Consumer Food Purchase Claim may elect to submit either: (i) a Consumer Food Purchase Claim with Proof of Purchase; or (ii) a Consumer Food Purchase Claim without Proof of Purchase; but they may not submit both.

(i) **Consumer Food Purchase Claims With Proof of Purchase:** Settlement Class Members who complete the Claim Form and provide valid Proof of Purchase showing their actual purchase(s) of Products during the Settlement Class Period and the purchase price of the Products purchased shall receive the full price of the Products as set forth on their Proof of Purchase. The Settlement Administrator shall have the right to determine the validity of such claims and may investigate and request reasonable additional information in order to avoid fraud.

(ii) **Consumer Food Purchase Claims Without Proof of Purchase:** Settlement Class Members who complete the Claim Form and do not provide valid Proof of Purchase showing their actual purchase(s) of Products during the Settlement Class Period shall receive the manufacturer's suggested retail purchase price for the Products claimed to have been purchased for up to a total value of twenty Canadian dollars (\$20 CAD). The Settlement Administrator shall have the right to determine the validity of such claims and may investigate and request reasonable additional information in order to avoid fraud.

22. **Decisions:** The Settlement Administrator will make best efforts to deliver decisions to all Settlement Class Members who have filed a Claim Form within one hundred and twenty days (120) days of the expiry of the Claims Period. The decision of the Settlement

Administrator will be final and not subject to dispute or appeal. While the Settlement Administrator may, in its discretion, seek input from Class Counsel and Defendants' Counsel about a claim, neither Defendants' Counsel nor Class Counsel is obligated to review all claims.

23. **Plan of Allocation:** All payments of Settlement compensation to Settlement Class Members shall be made from the Settlement Fund after all costs of Settlement administration (including, but not limited to, costs related to the Phase I Notice and Phase II Notice, the fees and expenses of the Settlement Administrator as approved by the Court, and the Fee and Disbursements Award as approved by the Court), are deducted from the Settlement Fund. If the total of the timely, valid and approved Claims submitted exceeds the available relief, minus any covered costs and expenses, each Settlement Class Member's award shall be reduced on a *pro rata* basis. If the total of the timely, valid and approved Claims is less than the available relief, minus any covered costs and expenses, each Settlement Class Member's award shall be *pro rata* increased to no more than two-times the value of the timely, valid and approved Claim absent any further written agreement by the Parties. After such distribution(s), the Settlement Administrator shall pay the Unpaid Funds, if any, to the *Cy Pres* Recipient.
24. **Returned Cheques:** For any Settlement Cheque returned to the Settlement Administrator as undeliverable (including, but not limited to, when the intended recipient is no longer located at the address), the Settlement Administrator shall make reasonable efforts to locate a valid address and resend the Settlement payment within thirty (30) days after the Settlement Cheque is returned to the Settlement Administrator as undeliverable. In attempting to locate a valid address, the Settlement Administrator is authorized to send by mail and if available an e-mail and/or place a telephone call to that Settlement Class Member to obtain updated address information. Any replacement Settlement Cheques issued to Settlement Class Members shall remain valid and negotiable for sixty (60) days from the date of their issuance and may thereafter automatically be canceled if not cashed by the Settlement Class Members within that time.

25. **Claims per Household:** Settlement Class Members can make claims under both categories of claim and be compensated for any or all of those Claims. However, only one of each Claim Form per Household will be eligible for compensation.
26. **Residue of Settlement Fund:** No portion of the Settlement Fund shall revert or be repaid to Defendants after the Approval Date. All funds shall be distributed pursuant to the Plan of Allocation in section 23.
27. **Honouraria:** Within 30 days of the Approval Date, and subject to Court approval, each Plaintiff shall receive an honourarium of \$10,000 from the Settlement Fund, in addition to any monetary compensation for those claims they may make under this Settlement Agreement.
28. If the quantum of the honouraria set out in Section 27 is not approved by the Court or confirmed on appeal (if any), Section 27 shall be regarded as severed while the rest of this Settlement Agreement shall remain in full force and effect.
29. **Administrator Functions:** The Settlement Administrator shall perform the functions and duties necessary to effectuate the Settlement and as specified in this Agreement, including, but not limited to, the following functions:
 - (a) maintain reasonably detailed records of its activities under this Settlement; and,

If the Settlement Administrator receives any requests for exclusion from Settlement Class Members after the Exclusion Deadline, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendants' Counsel;
- (k) provide reports and summaries, as requested, to Class Counsel and Defendants' Counsel, including without limitation, reports regarding the number of Claim Forms received and the identity of the Settlement Class Members;
- (l) employ reasonable procedures to screen Claim Forms for waste, fraud, and abuse and reject a Claim Form, or any part of a claim for a payment reflected therein, where the Settlement Administrator determines that there is evidence of fraud. The Settlement Administrator will review each Claim Form based upon the initial submission by a Settlement Class Member and ensure that each is complete, properly substantiated and, based on the substantiation, determine the appropriate

benefit to be paid, if any, in accordance with the terms of this Agreement. The Settlement Administrator is empowered to pay legitimate and valid claims only;

- (m) Issue Settlement Cheques: All Settlement Cheques issued pursuant to this Settlement shall bear in the legend that they expire if not negotiated within ninety (90) days of their date of issue. PART VII - CONDITIONS AND TERMINATION

33. With exception to the Phase I notice as provided in section 7, and notice costs and administrative expenses related to Phase I notice as provided at section 16, and subject to

Sections 39 and 41, unless the Plaintiffs and the Defendants agree otherwise in writing, this Settlement Agreement shall be automatically terminated and shall become null and void, and no obligation on the part of any of the Parties will accrue, if the Court declines to issue the Notice Approval Order without amendment, if the Court declines to issue the Approval Order without amendment, or if the Approval Order does not become a Final Order.

34. The Defendants may also terminate this Settlement Agreement, in accordance with Sections 9 and 37, if the Opt-Out Threshold is exceeded.
35. The Parties hereby confirm that they have agreed upon an Opt-Out Threshold and that the Opt-Out Threshold is confirmed in a separate document executed by Class Counsel and Defence Counsel. That document shall be delivered to the Court under seal, and shall be treated by the Parties and the Court as strictly confidential and shall not be disclosed to any person other than the Parties and their respective Counsel.
36. Promptly after the Opt-Out Deadline, and in any event no later than the Threshold Notification Date, the Settlement Administrator shall deliver the Threshold Notification to Defendants' Counsel and Class Counsel.
37. The Defendants may elect to terminate the Settlement Agreement, in their sole and absolute discretion, if the Opt-Out Threshold is exceeded.
38. If the Defendants elect to exercise their right to terminate this Settlement Agreement, then the Defendants shall deliver written notice of termination to Class Counsel no later than 14 days after delivery of the Threshold Notification. If the Defendants do not deliver a notice of termination within 14 days after receiving the Threshold Notification, this Settlement Agreement shall become fully effective and irrevocable on the Irrevocable Agreement Date.
39. If the Settlement Agreement is terminated automatically under Section 33 or by the Defendants pursuant to Section 37, the Defendants shall bring a motion before the Court for an order:

- (a) Declaring the Settlement Agreement to be null and void and of no force or effect; and,
 - (b) Setting aside the Notice Approval Order and/or the Approval Order on the basis of the termination of the Agreement.
40. In the event that this Settlement Agreement is automatically terminated pursuant to Section 33 or in the event that this Settlement Agreement is terminated by the Defendants pursuant to Section 37, this Settlement Agreement shall have no further force and effect, shall not be binding on any person or Party and shall not be used as evidence or otherwise in any litigation or other proceeding, and the legal position of each Party shall be the same as it was immediately prior to the execution of this Settlement Agreement, including the return of the Settlement Fund (plus interest) to the Defendants within thirty (30) days of termination, minus any funds the Parties jointly have authorized to be paid out of the Settlement Fund. In addition, in the event of such a termination, each party may exercise its legal rights to the same extent as if this Agreement had never been executed and all of the Parties' respective pre-Settlement claims and defenses will be preserved.
41. If the quantum of the legal fees and disbursements sought is not approved by the Court or confirmed on appeal (if any), the rest of this Settlement Agreement shall remain in full force and effect.
42. Except as expressly provided in this Settlement Agreement, no amendment or supplement may be made to the provisions of this Settlement Agreement and no restatement of this Settlement Agreement may be made unless agreed to by the Parties in writing and any such amendment, supplement or restatement is approved by the Court without any material difference.

PART VIII - PRIVACY AND CONFIDENTIALITY

43. Any information provided, created or obtained in the course of this settlement, whether written or oral, will be kept confidential by the Parties and the Parties' counsel, and will not be shared or used for any purpose other than this settlement unless otherwise agreed by the Parties in writing or as otherwise provided for or required by law.

44. Save as may otherwise be agreed between the Parties, the undertaking of confidentiality as to the discussions and all communications, whether written or oral, made in and surrounding the negotiations leading to this Settlement Agreement continues in force and in perpetuity, notwithstanding the termination or voiding of this Settlement Agreement.
45. **Non-Disparagement:** Each Plaintiff agrees that he or she will not directly or indirectly through a third party issue or publish any statement to or in the media (or to any media representative), including but not limited to print, television, radio and the internet, commenting on this Action or Settlement Agreement and/or disparaging the name, reputation, practices or operations of Hill's or any other Released Party. Class Counsel shall instruct each Plaintiff that any violation of this section could entitle Hill's or the Released Party, as the case may be, to pursue legal action against the Plaintiff and seek, among other remedies, a refund of any honourarium in an amount that shall not exceed the value of the honourarium. Class Counsel will not be required to monitor the Plaintiffs to ensure compliance with this section or to monitor any of the Plaintiffs' social media accounts or other communications on an ongoing basis. If Defendants' Counsel provides written notice to Class Counsel of a Plaintiff's potential breach of this section, Class Counsel has agreed to forward the written notice on to the Plaintiff. The Parties agree that Class Counsel have no other responsibilities or potential liability for the breach of this section by a Plaintiff.
46. The Settlement Administrator shall take reasonable measures to the extent permitted by law to assert and to protect the privacy rights of Settlement Class Members, including by maintaining the confidentiality and security of and preventing the unauthorized access or acquisition of any financial or personal information submitted in connection with any claim for benefits pursuant to this Settlement Agreement. In the event of any unauthorized access to or acquisition of personal information concerning any Settlement Class Member as a direct result of the intentional or negligent acts or omissions of the Settlement Administrator, the Settlement Administrator shall be responsible for complying with any privacy, data security, or breach notification obligations under local, provincial or federal law, and will be solely responsible for directly providing notice to local, provincial, or federal agencies, affected Settlement Class Members, and/or other persons or entities.

PART IX - RELEASES

47. The Releasors fully and forever release, remise, acquit and discharge the Releasees from the Released Claims, regardless of whether any Releasor executes and delivers a written release. By executing this Settlement Agreement, the Parties acknowledge that the Action shall be discontinued pursuant to the terms of the Approval Order, and all Released Claims shall thereby be conclusively settled, compromised, satisfied and released as to the Releasees. The Approval Order shall provide for and effect the full and final release by the Releasors of all Released Claims.
48. The Settlement Class Members hereby acknowledge that they are aware that they or their legal counsel may hereafter discover claims or facts in addition to or different from those which they now know or believe to exist with respect to the Released Claims, but that it is still their intention to hereby fully, finally, and forever settle, release, extinguish and waive all of the Released Claims, known or unknown, suspected or unsuspected, that they had, now have or, absent this Settlement Agreement, may in the future have had against Releasees. In furtherance of such intention, the release herein given by the Releasors to the Releasees shall be and remain in effect as a full and complete general release of the Released Claims notwithstanding any discovery of the existence of any such additional or different claims or facts.
49. If any Releasor brings an action or asserts a claim against any Releasee contrary to the terms of this Settlement Agreement, the counsel of record for such Releasor shall be provided with a copy of this Settlement Agreement. If the Releasor does not within 20 days thereafter dismiss his or her action and the action or claim is subsequently dismissed or decided in favour of the Releasees, the Releasor who brought such action or claim shall pay Releasees' reasonable counsel fees and disbursements incurred by Releasees in the defense of such action or claim.
50. Notwithstanding the above, the Court shall retain jurisdiction over the Parties and the Settlement Agreement and with respect to the future performance of the terms of the Settlement Agreement, and to ensure that all payments and other actions required of any of the Parties by the Settlement and this Settlement Agreement are properly made or taken.

NOTICE OF PROPOSED SETTLEMENT IN HILL'S DOG FOOD CLASS ACTION

Basic information

1. Why did I get this notice?

The Defendants, Hill's Pet Nutrition, Inc. and Hill's Pet Nutrition Canada Inc. (together "**Hill's**"), and the proposed Representative Plaintiffs, have agreed to settle this class action. The Ontario Superior Court of Justice authorized this notice to let you know that there is a Court hearing scheduled to approve this settlement. If you have received this notice, you may have legal rights and interests that are affected by the proposed settlement. This notice explains what is happening, and what actions you can take.

2. What is a class action?

In a class action, one or more people called "Representative Plaintiffs" sue on behalf of people who have similar claims. All of the people who have similar claims are called a "Class" or "Class Members." The court resolves the issues for everyone affected, except for those who exclude themselves from the lawsuits by "Opting Out".

3. What is this class action about?

The proposed class action concerns a list of 33 Hill's Prescription Diet or Hill's Science Diet canned dog food products that allegedly contained excessively high levels of vitamin D, which may be dangerous for dogs to consume. Vitamin D toxicity can result in dog illness, hospitalization, and death. Hill's recalled products which may have contained excessive vitamin D from January to May 2019.

Hill's denies the Plaintiffs' allegations.

The proposed class includes all persons who purchased certain Hill's products in Canada. **The specific products are listed under question #6 below.**

For more information, email: dogfoodclassaction@kmlaw.ca; or call toll-free: **1 855 595 2628**.

NOTICE OF PROPOSED SETTLEMENT IN HILL'S DOG FOOD CLASS ACTION

4. Why is there a settlement?

The Representative Plaintiffs and Hill's have agreed to a proposed settlement. By agreeing to the proposed settlement, the parties avoid the costs and uncertainty of a trial and delays in obtaining a judgment, and Settlement Class Members receive financial compensation, which is described in this notice and the settlement agreement. It also means that the Class Members will not need to testify in court. The Representative Plaintiffs and their lawyers believe that the proposed settlement is in the best interests of all Class Members. The settlement is not an agreement that the theories alleged in the lawsuit are correct.

5. Who are the proposed Representative Plaintiffs in this class action?

The two dog owners who commenced this lawsuit are the Plaintiffs Betty Ann Martin and Claire Lindhout. If this lawsuit is certified to proceed as a class action, they may be appointed Representative Plaintiffs by the Court.

6. Who is included in the proposed settlement?

The proposed settlement includes everyone who meets the following Settlement Class definition:

All persons and entities that purchased "Products" in Canada from September 1, 2018 to May 31, 2019.

Excluded from this Settlement Class are those who have been provided other compensation by a Defendant and have executed a release, have purchased Products for resale or resold the Products, are an entity in which the Defendants have a controlling interest, or Opt-Out before the Opt-Out deadline.

The "Products" are all Hill's Prescription Diet and Science Diet canned dog foods listed below and sold to consumers in Canada from September 1, 2018 to May 31, 2019, and any other pet food product sold in Canada by Hill's, regardless of brand name, to which the allegations in this action could pertain.

Proposed settlement benefits

8. What does the proposed settlement provide?

The settlement provides a global Settlement Fund of \$575,000 USD. If approved, the following benefits will be available to Settlement Class Members from the Settlement Fund:

The proposed class action was commenced in October 2019 by Claire Lindhout and Betty Ann Martin in relation to allegations that Hill’s products contained excessively high levels of vitamin D, which may be dangerous for dogs to consume. The Ontario Superior Court of Justice will determine whether the settlement is fair, reasonable and in the best interests of the class, and whether to approve the settlement agreement on at a hearing to be held on [date] at [place].

The proposed settlement agreement will provide a fund of \$575,000 USD for financial compensation for claims relating to injury or death of a dog as well as financial compensation for the purchase price of the affected products. The affected products consist of Hill’s Prescription Diet and Science Diet canned dog foods.
